About AEC

AEC is a boutique Artist Representation and Production Management firm founded by industry veterans Gig Xifaras & Rae Martin, inspired by a vision to meet the coming challenges faced by the Event Services Industry in this new world of Virtual Entertainment.

As our world evolves and technology advances, so do our needs and goals adapt. Allow AEC to demonstrate its unique approach to designing, developing and producing live special events and remote stage experiences.

Our process blends decades of event services experience and disciplined use of emerging technologies with a fresh perspective on event design and live-remote production, emphasizing creative solutions for same-site, multi-site, multi-remote and variable interactive productions.
